Profile

I am a student in the Faculty of Computers and Information, Sohag University, second year.

I live in Sohag Governorate, the center of the almanshah.

I love software engineering a lot, and I hope that one day I will be a programmer who will perpetuate his name in history, such as engineer Michael Widnius, engineer Jack Dorsey and others

Education

- **2019 - Present** **High School**
Graduate high school class 2019 with a total of 91.7%
